SUMMARY

Passionate about technology and driven by curiosity, with a strong foundation in HTML, CSS, JavaScript, and React, continuously building my expertise in areas such as Frontend Development. I am excited to bring my skills to a team where I can contribute to meaningful projects and further develop my abilities. Looking for an entry-level position to apply my programming skills, I welcome opportunities for collaboration and growth.

EDUCATION

- **Rashtrasant Tukadoji Maharaj Nagpur University**
Ranibai Agnihotri Institute of Computer Science & Information Technology, Wardha
Bachelor of Computer Application | Year of Completion 2024
- **Higher Secondary Certificate**
Shri Motiramji Shinde Jr. College | Year of Completion 2018
- **Secondary School Certificate**
Bharat Vidyalaya Hinganghat | Year of Completion 2016

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, React.js, Bootstrap, MUI
- **Tools:** GitHub, Visual Studio Code

PROJECTS

- **Furniture Shopping website**
 - Designed and developed a fully functional e-commerce platform for furniture shopping, providing a responsive user interface.
 - Implemented core features, including product listings, a shopping cart, and a checkout process.
 - Utilized technologies like HTML, CSS, and JavaScript to focus on mobile-first design principles, ensuring the website was optimized for all device sizes.
- **Travel Tour website**
 - Designed and developed a responsive and user-friendly travel website to help users explore destinations and plan itineraries efficiently.
 - Utilized technologies like HTML, CSS, and JavaScript to ensure seamless performance across devices and browsers.
- **Typing Speed Tester**
 - Designed and developed an interactive application to measure typing speed and accuracy in real-time.
 - Implemented core features such as randomized text prompts and timer-based tracking.
 - Utilized technologies like HTML, CSS, and JavaScript for a user-friendly interface.
